Stage 02 - Job Placement

Your dream job as an Assistant in Nursing awaits –
Are you ready to make it a reality?

Job Placement pathway

The MWT Australia Job Placement pathway is a tailored option for candidates aiming to fast-track their integration into the Australian healthcare workforce. This pathway is ideal for candidates who are ready to employ their skills in an Assistant in Nursing (AIN) role while finalising their registration process within six months.

Eligibility Criteria:

- Meet at least one of the below English Language Proficiency Test Requirements:
 - IELTS Overall, 6.5 with no bands less than 6
 - PTE Overall, 56 with no band less than 46
 - OET with no bands less than B
- Advancement in the AHPRA application process – Initial Assessment to be completed
- Successful completion of NCLEX-RN exam
- Minimum 1 year of practical nursing experience.

Comprehensive Services and Components Included:

- Completion of a 120 hours of Practical Experience Placement (PEP) within Australia, which fulfills the requirement for the enrolled Certificate III qualification (If Opted by the candidate in Stage 1).
- Individualised training including specialized OSCE training provided by IHM Australia, designed to prepare candidates for success in their OSCE examination.
- Job placement assistance through MWT Australia's network of partnering employers, offering positions as an Assistant in Nursing (AIN) or Personal Care Worker.

This pathway is meticulously structured to ensure that candidates are not only prepared for their examinations but are also supported in securing employment that complements their skillset and experience. By choosing this option, candidates will benefit from a comprehensive support system that facilitates their transition into the Australian nursing workforce with confidence and competence.
